The word ***"Discipline"*** comes from the word "**disciple**" and means a pupil or follower of any teacher or school. Therefore, it is expected that our youth strive to be "disciples" in the school of Jesus Christ living out our Catholic faith and Christian values.

Our students are generally quite cooperative and well-behaved. However, a **Discipline Policy** is in effect for those who may choose to be exceptions to the rule.

All students in Religious Education Classes are expected to conduct themselves with respect, not only for their own benefit, but also for the welfare of the Catechists, Aides and fellow students. Catechists and Aides graciously give of their time and talents in order to share their understanding of our faith to prepare youth for Catholic adult life. In doing so, they enhance and enrich the faith lives of the children in our program.

J.M.J.

This cannot begin to take place if a child becomes a constant disciplinary problem. Therefore, the Catechists will be asked to implement the following policy.

This **Discipline Policy** is provided so that all individuals involved in Religious Education may be respected and valued.

FIRST WARNING

The catechist will let the student know immediately that a behavior is unacceptable. This constitutes a Warning and Report to Sister Catherine Therese.

SECOND WARNING

If the discipline problem continues, the catechist will remove the student from the class, sends him/her to the office with supervision, report to Sister Catherine Therese, and notifies the child's parents / guardian of the situation.

All **lessons missed** while the student is in the office **must** be **made** up at home **before** the student can be **readmitted to class.**

THIRD WARNING

If there is a third occurrence, the student will be sent to the office, a report given to Sister Catherine Therese, parents/ guardian will be notified, and a conference will be scheduled with Fr. Zelonis, Sister Catherine Therese, Catechist, Parents/ Guardian, and student.

Your cooperation and assistance is great appreciated in helping your child(ren) lear as much as possible about our faith.

Thank you and God Bless You.

I have read the above policy and have discussed it with my child(ren) and agree to comply with the policy as it pertains to my child(ren)
