## MUSIC & CHOIR DIRECTOR APPLICATION

St. Michael's is searching for a person to direct our parish music program and choir. General responsibilities include the scheduling of organists, the selection of music and hymns, leading choir practices and the like. It is hoped the director would seek to build a program for cantors and a youth choir. Applicants should have musical experience and an enthusiasm for liturgical music and worship and if not already trained in the role of music in Catholic liturgy, at least be willing to learn. Salary will be discussed if and when an applicant is interviewed.
